

2010 Poster Presentations & Primary Resident Authors

R=Research Category; E=Education Category

1. **R Open and Laparoscopic Liver Resection: Looking beyond the immediate post-operative period**
Justin Fox, M.D. (R3)
Wright State University BSOM General Surgery Residency Program
2. **R POST-STROKE DEPRESSION: INVESTIGATION INTO THE PREVALENCE OF SCREENING AND TREATMENT**
CT Manetta, M.D. (R3)
Wright State University-BSOM Psychiatry Residency Program
3. **E Giant Esophageal Lipoma in an Asymptomatic Patient**
Hendren A. Bajillan, M.B.CH.B. (R3)
Wright State University-BSOM Internal Medicine Residency Program
4. **R YPEL3, a novel inducer of senescence, is inhibited by estrogen in ER & mammary tumor cells**
Rebecca Tuttle, M.D. (Research Year)
Wright State University-BSOM General Surgery Residency Program
FIRST PLACE (TIE) – RESEARCH CATEGORY
5. **R Improved Emergency Medical Services Personnel Procedural Self-Confidence Following an Emergency Medicine Resident Managed CAP (Cadaver, Anatomy, and Procedure) Lab.**
Laura Nolting, M.D. (R3) & Stephanie Carrion, M.D. (R3)
Wright State University-BSOM Emergency Medicine Residency Program
7. **E Perplexing Streptococcus pneumoniae Bacteremia Following Near Drowning**
Kunal Desai, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program
8. **E A Complex Case of Arm Pain**
Eric Santiago, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program

9. **E Patient with McCune-Albright Syndrome Presenting with Acromegaly**
Mustafa Musleh, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
SECOND PLACE – EDUCATION CATEGORY
10. **E Aberrant Renal Artery as a Cause of Hypertension in a Young Male**
Arinze Ikeme, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
11. **E Accidental Hypothermia and Cardiac Arrest –A Case Report**
Sayuri Cheruvu, M.D. (R1)
Wright State University-BSOM Internal Medicine Residency Program
12. **E Central Diabetes Insipidus in a Patient with Cavernous Sinus Thrombosis**
Arinze Ikeme, M.D., (R2)
Wright State University-BSOM Internal Medicine Residency Program
13. **E Cardiac Amyloidosis: An Unusual Cause of Syncope**
Shashikant Patel, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program
14. **E Anterior Mediastinal Mass in a Patient with Untreated Graves' Disease**
Bijan Ahrari, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
15. **E Hiatal Hernia and GERD in a Patient with Asthma: Recipe for Pulmonary Complications**
Kevin Rich, D.O. (R3)
Wright State University-BSOM Internal Medicine Residency Program
16. **E Pneumocystis jiroveci Pneumonia Complicated by Pneumothorax**
Joshua Hamilton, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program

17. **E Survival Following Cepacia Syndrome in a Patient with Cystic Fibrosis**
Radhika Rajsheker, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program

18. **E Pericardial Cyst: A Rare Cause of Chest Pain**
Abdul Mannan Mohammed, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program

19. **R Congestive Heart Failure Readmissions: Relationship between Preadmission Patient Determinants and 30 day Rehospitalization**
Vikas Kalra, M.D. (R2)
Kettering Medical Center Internal Medicine Residency Program

20. **E 21 yr Male with ESRD Secondary to BOR Syndrome-case report**
Vikas Kalra, M.D. (R2)
Kettering Medical Center Internal Medicine Residency Program

21. **E Moyamoya Disease in a Patient Presenting with Vision Loss**
Inkyung Santiago, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program,
WPAFB

22. **R What is the Prevalence of Automated External Defibrillators (AED) at Nursing Facilities in Montgomery County, OH?**
Sara Cruz-Luna, M.D. (F1) & Jose Rosetto, M.D. (F1)
Wright State University-BSOM Geriatric Medicine Fellowship

23. **E An Unusual Presentation of Metastatic Gastric Adenocarcinoma**
Emily Link, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program

24. **E Primary Hyperparathyroidism during Pregnancy**
Ruchi Aggarwal, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
25. **E Progressive Multifocal Leucoencephalopathy with AIDS**
Sudeep Ghuman, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
26. **R The Effect of Locking Plugs on the Strength of a Locking Compression Plate Construct in an Osteoporotic Model**
Brad Picha, M.D. (R4)
Wright State University-BSOM Orthopaedic Surgery Residency Program
27. **E Bilateral Phlegmasia Cerulea Dolens: A Rare Manifestation of Venous Thrombosis**
Abdul Mannan Mohammed, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program
28. **E Food Dependent Exercise Induced Anaphylaxis (FDEIAN): A Case Series**
Ross Dodge, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
29. **E A Rare Case of Spontaneous Incidental Celiac Artery Dissection**
Joseph Chan, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
30. **E Progressive Kyphosis After Bariatric Surgery**
Deena Hassuna, MBChB (R2)
Wright State University –BSOM Internal Medicine Residency Program
FIRST PLACE - EDUCATION CATEGORY

- 31 E Pulseless Right Arm after Large Anterior Myocardial Infarction**
Disha Singla, M.B.B.S. ((R3)
Wright State University-BSOM Internal Medicine Residency Program
- 32 R Treatment of glenohumeral sepsis with a commercially produced antibiotic-impregnated cement spacer**
Michael Coffey, M.D. (R2)
Wright State University-BSOM Orthopaedic Surgery Residency Program
- 33 E Classical Presentation of Tuberous Sclerosis with Stable Course of Untreated Lymphangioliomyomatosis in a Female Patient**
Manish Kadian, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
- 34 E HSV Pharyngitis, Laryngitis, and Presumed Tracheobronchitis in an Immunocompetent Male**
Andria Smith, M.D. (R2)
Wright State University –BSOM Internal Medicine Residency Program
- 35 E Endobronchial Hamartoma**
Rakesh Kilari, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
- 36 E Typhoid Fever Presenting as Septic Shock – Not in the “Third World”, but in Dayton, Ohio**
James Cox, M.D. (R3)
Wright State University-BSOM Internal Medicine Residency Program
- 37 E Fatal Aortic Dissection in a Patient with Giant Cell Arteritis**
Anjeli Nayar, M.D.(R2)
Wright State University-BSOM Internal Medicine Residency Program

- 38 E Acute Febrile Neutrophilic Dermatitis (Sweet’s Syndrome) Associated with Monoclonal Gammopathy of Undetermined Significance**
Pamela Ward-Demo, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
- 39 E Doripenem Desensitization in the Setting of Multi-Drug Resistance and Multi-Drug Allergies**
Adam Hertlein, M.D. (R2)
Wright State University-BSOM Internal Medicine Residency Program
- 40 R Predictors of Diagnostic Yield of Video Capsule Endoscopy in Southwest Ohio Verteran Population**
Chike Anusionwu, M.D. (F1)
Wright State University-BSOM Gastroenterology Fellowship Program
FIRST PLACE (TIE) – RESEARCH CATEGORY
- 41 R Utility of “NAFLD Fibrosis Score in Morbidly Obese Patients**
Khurram Bari, M.B.B.S. (R3)
Wright State University-BSOM Internal Medicine Residency Program
- 42 E Clinical Dermatology in Botswana**
David Carr, M.D. (R4)
Wright State University-BSOM Dermatology Residency Program
- 43 R Effectiveness of a Central Immunization Registry in Improving Immunization Rates in a Residency Training Program Clinic**
Andrew Humpert, M.D.
Wright State University-BSOM Medicine/Pediatrics Residency Program
- 44 E Pigment in Disguise – Amelanotic Melanoma**
Amy Y-Y- Chen, M.D. (R2)
Wright State University-BSOM Dermatology Residency Program

- 45 R Maternal Psychological Stress as a Novel Causative and Modifiable Risk Factor in Preterm Birth**
Melanie Glover, M.D. (F2)
Wright State University-BSOM Maternal Fetal Medicine Fellowship
- 46 R The predictive value of antenatal obstetrical ultrasound for neonatal survival in preterm birth at less than 26 weeks**
Ming Zhou, M.D. (F1)
Wright State University-BSOM Maternal Fetal Medicine Fellowship
- 47 R Repeated Freeze-thaw Cycles Do Not Alter the Biomechanical Properties of Fibular Allograft Bone**
Mark Stouffer, M.D. (R1)
Wright State University-BSOM Orthopaedic Surgery Residency
- 48 E Stress fracture of the femoral shaft following bone graft harvest using the Reamer/Irrigator/Aspirator**
Jason Vourazeris, M.D. (Research Year)
Wright State University-BSOM Orthopaedic Surgery Residency
- 49 R Accuracy of FNA Lung Biopsies in NSCLC Patients at Kettering Medical Center**
Ashantice Higgins, M.D. (R3)
Kettering Medical Center Internal Medicine Residency Program
- 50 E Intermittent Hypertension in a 24-year-old female; a case of a pheochromocytoma**
Jennifer Grana, D.O. (R3)
Wright State University Family Medicine Residency Program
