

DAGMEC Speakers List

Speaker			Topic	Contact information	Notes
David	Bienenfeld	MD	Anxiety in primary care	david.bienenfeld@wright.edu	
David	Bienenfeld	MD	Anxiety in the elderly	david.bienenfeld@wright.edu	
David	Bienenfeld	MD	Depression in primary care	david.bienenfeld@wright.edu	
David	Bienenfeld	MD	Depression in the elderly	david.bienenfeld@wright.edu	
David	Bienenfeld	MD	Stress in residency	david.bienenfeld@wright.edu	
Dean	Bricker	MD	Overview of Vasculitis	dean.bricker@wright.edu	
Dean	Bricker	MD	Overview of Ventilator Management	dean.bricker@wright.edu	
Dean	Bricker	MD	Polypharmacy	dean.bricker@wright.edu	
Dean	Bricker	MD	Trauma for the Internist	dean.bricker@wright.edu	
John	Czachor	MD	General ID topics	john.czachor@wright.edu	
John	Czachor	MD	Global Health	john.czachor@wright.edu	
John	Czachor	MD	Travel Medicine	john.czachor@wright.edu	
Havey	Hahn	MD, FACC	Aggressive Lipid Management	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	BNP and other Worthless Screening Tests	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Cardiac drips	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Cardiovascular Genomics	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Cardiovascular Pre-op evaluation	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	CHF	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Congenital Heart Disease-Aortic pathology	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Congenital Heart Disease-ASD/VSD	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Congenital Heart Disease-Congenital CV syndromes	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Congenital Heart Disease-Tetralogy of Fallot	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Congenital Heart Disease-Transposition of the Great Vessels	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Diastolic CHF	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Echo for Internists	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Future of CV Diagnostic Testing	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Global CV Risk Reduction	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Integrated Hemodynamics-Aortic regurgitation	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Integrated Hemodynamics-Aortic Stenosis	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Integrated Hemodynamics-Mitral regurgitation	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Integrated Hemodynamics-Ventricular interaction-tamponade, constriction, and restriction	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Stats and Evidence Based Medicine	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	Stress testing	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.
Havey	Hahn	MD, FACC	TEE	harvey.hahn@Khnetwork.org	Powerpoint. Approx. 40-50 min. long. I am willing to share slides with anyone who is interested.

DAGMEC Speakers List

Anil	Krishnamurthy	MD	Common Orthopedic Problems for Primary Care	Anil.Krishnamurthy@va.gov	
Gary	Onady	MD, PhD	Cystic Fibrosis: Pulmonary, endocrine and GI issues in CF related to morbidity that evolves with the disease process as this once pediatric disease now evolves into a highly prevalent adult chronic medical condition	gmonady@pol.net	1 hr LECTURE FORMAT
Gary	Onady	MD, PhD	Cystic Fibrosis: Transitioning Care to Adulthood	gmonady@pol.net	
Gary	Onady	MD, PhD	Evidence-based Practice - Evidence based Medicine in Clinical Decision Making	gmonady@pol.net	TEAM-BASED LEARNING FORMAT, Ideally as a 4 hour Team-based Learning session, Could be split into 2 sessions.
Gary	Onady	MD, PhD	Jazz Improvisation in Optimizing Physician-Patient Communication:	gmonady@pol.net	A 4-hour Workshop that incorporates (1) a one hr lecture with embedded audio demonstrating jazz metaphors in medicine; (2) An introspective workshop in "Choosing Your Physician"; (3) Solving Patient Presentations workshop integrating Jazz Improvisation technical skills; (4) Concludes with a short workshop summary/evaluation
Marc	Raslich	MD	Evaluating prognostic literature	marc.raslich@wright.edu	Evidence-Based Clinical Decision Making (Introductory) Various formats from noon lecture type to a series of 4 2-hour workshops
Marc	Raslich	MD	Lecturing and Interpreting Diagnostic Test Results	marc.raslich@wright.edu	Evidence-Based Clinical Decision Making (Introductory) Various formats from noon lecture type to a series of 4 2-hour workshops
Marc	Raslich	MD	Teaching and Learning Styles	marc.raslich@wright.edu	Evidence-Based Clinical Decision Making (Introductory) Various formats from noon lecture type to a series of 4 2-hour workshops
Mohammad	Saklayen	MD	History of Hypertension Treatment	Mohammad.Saklayen@va.gov	
Mohammad	Saklayen	MD	Hypertension treatment Update	Mohammad.Saklayen@va.gov	
Mohammad	Saklayen	MD	Waist-Hip ration and CV risk	Mohammad.Saklayen@va.gov	
John	Shrader	MD	Aging and the Heart (Geriatrics)	john.shrader@khnetwork.org	
John	Shrader	MD	Climate Change and Health	john.shrader@khnetwork.org	
John	Shrader	MD	Constipation (Geriatrics)	john.shrader@khnetwork.org	
John	Shrader	MD	Delirium (Geriatrics)	john.shrader@khnetwork.org	
John	Shrader	MD	Dementia (Geriatrics)	john.shrader@khnetwork.org	
John	Shrader	MD	Heart and Parasitic Infestions (Kissing Bugs and Other Critters)	john.shrader@khnetwork.org	
John	Shrader	MD	High Altitude Effects (Acute Mountain Sickness)	john.shrader@khnetwork.org	
John	Shrader	MD	Hypothermia/Hyperthermia	john.shrader@khnetwork.org	
John	Shrader	MD	Pathophysiology of Aging (Geriatrics)	john.shrader@khnetwork.org	
John	Shrader	MD	Urinary Incontinence (Geriatrics)	john.shrader@khnetwork.org	
Steven	Swedlund	MD	Aging successfully	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Biology of aging	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Delirium	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Dementia	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Demographics of aging	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Depression	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Dermatologic disorders in the elderly	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Dizziness	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Falls	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Gynecology problems in the elderly	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Health screening for the elderly	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Healthcare financing for the elderly (Medicare and Medicaid, Hospice)	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Home visits for the physician	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Incontinence, urinary	steven.swedlund@wright.edu	On hour; from the perspective of geriatrics
Steven	Swedlund	MD	Malnutrition	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics

DAGMEC Speakers List

Steven	Swedlund	MD	Nursing home visit for the physician	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Osteoporosis	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Pharmacology in aging	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Physiology of aging	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Polypharmacy	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Pressure sores	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
Steven	Swedlund	MD	Sensory impairment (vision and hearing)	steven.swedlund@wright.edu	One hour; from the perspective of geriatrics
